

# join us and make a difference

'Friends' are part of a vital life-line which helps to keep our Society alive. Staging a fully costumed annual production along with concerts and recitals throughout the year costs thousands of pounds and many hours of preparation. By contributing an annual subscription you can help us maintain a high level of performance.

For an annual contribution of £15.00 you can join us as a 'Friend', supporting the Society, and at the same time you can enjoy the following benefits in recognition of your support:

- A special privilege discount of 25% on up to four tickets for our annual production
- Regular mailings of news and information
- Advance postal booking ballot for all performances
- An invitation to special events and social activities
- Your name in the programme of our annual production

So, what are you waiting for? Become a 'Friend' of the Society today. Simply fill out the Subscription Form below, and send with remittance to our Friends co-ordinator at 'Friends of TOPS', c/o Kate Pettit, 24 Sejant House, Bridge Road, Grays RM17 6RT.
